07.07.2021	CE	1st	Mathematics - I	Basic Electrical Engg.
		4th	Mechanical Engineering	Interoduction to fluid mechanics
		6th	Engineering Economics, Estimation Cost	Environmental Engineering-II
		8th	Construction Planning & Management	Elective-II
	ME	1st	Mathematics - I	Basic Electrical Engg.
		4th	Fluid Mechanics	Applied Thermodynamics
		6th	Dynamics of machinery	Manufacturing Technology
		8th	Sustainable development	
	CSE	1st	Mathematics - I	Chemistry
		4th	Discrete Mathematics	Computer Orgazation & Arch.
		6th	Compiler Design	Computer Network
		8th	Data Mining	Personal Management & Industrial Relation
EEE	1st	Mathematics - I	Chemistry	
08.07.2021	CE	1st	Physics	Engg. Graphics & Design
		4th	Engineering Geology	Interoduction to solid mechanics
		6th	Design of steel Structure	
		8th	Elective-III	Elective-IV
	ME	1st	Physics	Engg. Graphics & Design
		4th	Strength of material	Engineering Materials
		6th	Design of machine elements	Program Elective-I
		8th	Management information system	Industrial Pollution
	CSE	1st	Programming for Problem Solving	Workshop Manufacturing Practices
		4th	Operating system	Design and Analysis of Algorithms
		6th	Mechine learning	Program Elective-I (Computer Graphics)
		8th	Information Security	Cryptograh
EEE	1st	Program for Problem Solving	Workshop Manufacturing Practices	
09.07.2021	CE	1st		
		4th	Disaster Preparedeness & Planning	Structural Analysis
		6th	Construction Engineering & Management	Geotechnical Engineering-II
		8th	Irrigation Engineering	
	ME	1st		
		4th	Instrumentation and Control	Environmental Science
		6th	Program Elective-II	Open Elective-I
		8th	Mechanical System Design	
		1st	English
