

# Department of Mechanical Engineering

Katihar Engineering College, Katihar-854109  
(Under the Department of Science & Technology, Govt. of Bihar)

Reference no. KEC/ME/2021/12

Dated 17/09/2021

## Notice

This is to inform to all the VI semester students that as per the AKU B.Tech latest curriculum, there are 2 (two) Program Electives subjects and one open electives-II along with one core subjects in the coming VII semester. An elective subject is chosen by students from the predefined list of subjects. Following are the predefined subjects that can be chosen as open Elective II, Prog. Elective I & prog. Elective II:

S. No.	Open Elective II	Prog. Elective III	Prog. Elective IV
1	Operation Research (102706)	Refrigeration and Air Conditioning (102702)	Computer Aided Design (102703)
2	-----	Finite Element Analysis (102704)	Automobile Engineering (102705)

Considering the importance of GATE, other competitive examination and Industries demand. The Mechanical Engineering Department has decided to run Refrigeration and Air Conditioning (102702) as Prog. elective III and Computer Aided Design (102703) as Prog. elective IV in the coming VII semester.

However, if the students want to study different subjects, they can submit an application, clearly mentioning subject of Prog. Elective III and Prog. Elective IV from the above list.

**Note:** New elective subjects will only be offered when more than half of the class choose new subject from the list of predefined subjects. Single application needs to be submitted with signature of all the interested students within 10 days.

Dr. Arbind Prasad  
Head, Mechanical Engineering
