

Notice

Ref. 03/RICWD/22

Date – 14/09/2022

Congratulations to the following students for qualifying 2nd round of Research and Innovation cum Website Development team. In this round students have to submit assigned project within give period of time. Students may explore internet or connect to faculty to complete their project. I have shared a link for your reference; however students are free to choose any resource. Final round would be project submission followed by interview.

sem	Project	submission date
6	Design a website like in the mentioned link(https://www.simplesite.com/) with jquery validation and authenticating user on clicking login button. (You may use any database on backend)	30-09-2022
4	Design a website like in the mentioned link(https://www.simplesite.com/) with jquery validation clicking login button.	24-09-2022
