

Ref. No. S22

Date: 02 Feb 2022

## NOTICE

### APPLICATIONS ARE INVITED FOR THE FOLLOWING POSITION

Deputation based on the guidelines of Industrial Department, Bihar

Sl. No	Name of the Post	No. Of post
1.	Student Representative	02

In accordance with the Notice 641 dated 18/02/2003 by the Government of Industry Bihar, applications are invited from enthusiastic and dedicated students of Katiyar Engineering College, Katihar, to apply for the position of Student Representatives for the Start-up Cell. The Start-up Cell aims to promote and foster an entrepreneurial spirit among students and spread awareness about the government of Bihar's startup policies and initiatives in collaboration with the Department of Industries.

#### Roles and Responsibilities

- Organizing various events and seminars, webinars to encourage the startup culture among students.
- Guiding and assisting fellow students with the application process for the Bihar startup program run by the government of Bihar.
- Disseminating information about government startup policies and opportunities to the student community.

#### Eligibility Criteria

##### Mandatory

- Must be a student of Katiyar Engineering College
- Must belonging to the 2020, 2021, or 2022 batch.
- Should have actively participated in any start-up outreach/ideathon program conducted by the Department of Industries, Government of Bihar, and possess a certificate as proof of participation.

### Desirable

- Priority will be given to candidates who have demonstrated exceptional leadership abilities through active engagement in college clubs, organizations, or other initiatives.
- Candidates with prior experience in organizing events, workshops, or seminars will be considered advantageous.
- Outstanding candidates who have represented Katihar Engineering College in external events or competitions will also be given priority.
- Should have a genuine interest in entrepreneurship and be passionate about promoting the startup culture in Bihar.
- Strong leadership and communication skills are desirable for effective coordination and engagement with the student community.
- Problem-solving abilities and time management skills will be considered advantageous to efficiently manage start-up cell activities.
- Familiarity with government startup policies and initiatives in Bihar will be a plus, enabling effective dissemination of relevant information to fellow students.

### Remuneration

Selected candidates will be paid a monthly stipend of 5,000 INR by the Government of Industry Bihar, and the college will not be liable for it.

### How to Apply

Interested candidates are requested to submit their applications along with the following documents to [principal@keck.ac.in](mailto:principal@keck.ac.in)

- Updated Resume/CV
- Certificate of participation in any ideathon/outreach program conducted by the Department of Industries, Government of Bihar.
- A brief statement of purpose (not exceeding 300 words) outlining their passion for entrepreneurship and why they are suitable for this role.

### Recruitment Process

Candidates will be evaluated and shortlisted based on their qualification and guidelines provided by Department of industry, Bihar. Shortlisted students will be invited for an interview at KEC, Katihar which will be conducted in English. Interview details will be communicated to the shortlisted candidates via email.

The deadlines for receiving process is **5/08/2023 till 5:00 pm.**

Other Instructions

- Prior to applying for the post, candidates must verify that they meet the eligibility and other requirements specified in this notification. Therefore, candidates are advised to read this notification carefully and follow all instructions given.
- Startup cell has the right to reject any application at any stage of the process and cancel the candidate's candidature if it is found that the candidate does not meet the eligibility norms or has provided false information/ certificates/ documents or has concealed any material fact(s).
- If a candidate's candidature is rejected for any reason, no further representation in this regard will be considered.
- Startup cell decision on all matters concerning the candidate's eligibility, the stages at which the eligibility review is conducted, the qualifications and other eligibility norms, the documents to be provided for the interview, verification and any other matters related to the recruitment process, will be final and binding on the candidate. No personal inquiry or correspondence with Startup cell in this regard will be entertained.

For any queries, please contact: [sumankumar@keck.ac.in](mailto:sumankumar@keck.ac.in)

Let's embrace the entrepreneurial spirit and contribute to the growth of the startup ecosystem in Bihar!
